For optional subjects the subjects should be specified: English as the medium of instruction for forms III- VI in one section of each form, including the optional of F. V - Physiology & Domestic Science, Form VI, Physiology, Mathematics and Domestic Science.

6. Reasons for the exemption applied for:

a. F. II - V ~~xxx~~ (Form VI was not opend in 47-48) adopted the English Medium 47-48 according to Pros. Rc.No.931-E1/47 dated 5-9-47 and the same authorized us to ~~x~~ give it up progressively. Hence we need to adopt the English medium in Form III - VI in 48-49. (Form VI was opened ~~in~~ on 1-6-48.

b, Our school being in the heart of the town, counts on its rolls several children of government officials, who do not possess any knowledge of Kannada and who therefore want instruction to be imparted in English.

c. The children in F III - VI would experien e great difficulty if this exemption were not given, as every lesson taught in Kannada would be a language lesson. Progress in every subject would be impeded.

We purpose to carry on teaching through the Kannada medium one class higher every year. I therefore humbly request you to be good as to grant us the necessary exemption to have the English medium ~~form~~-From Form III - VI in 1948-49. We trust that you will consider our pressing need and grant us the exemption.
